I would warn readers that while the setting does mention the paranormal the series is more cozy mystery set in a unique environment and doesn't bring much paranormal happenings into it. A state of acute alarm prevailed as the deadly weight commenced to drop, scattered over a huge radial area from the centre of the blast. Field trials were next on my list, but there was a HUGE problem: I did not want to send her away for training, nor to hire a professional trainer as people normally do .
